Plot:

Read the books that inspired the How to Train Your Dragon films! This book will be a hit with children and adults alike. THE STORY BEGINS in the first volume of Hiccup's How to Train Your Dragon memoirs...Hiccup Horrendous Haddock III was an awesome sword-fighter, a dragon-whisperer and the greatest Viking Hero who ever lived. But it wasn't always like that. In fact, in the beginning, Hiccup Horrendous Haddock III was the most put upon Viking you'd ever seen. Not loud enough to make himself heard at dinner with his father, Stoick the Vast; not hard enough to beat his chief rival, Snotlout, at Bashyball, the number one school sport and CERTAINLY not stupid enough to go into a cave full of dragons to find a pet...It's time for Hiccup to learn how to be a Hero. How to Train Your Dragon is now a major DreamWorks franchise. How to Train Your Dragon 2 hits cinemas in Summer 2014 starring Gerrard Butler, Cate Blanchett and Jonah Hill and the TV series, Riders of Berk, can be seen on CBeebies and Cartoon Network. Review quote

' The combination of cartoons with sharp wit is what makes this book so uniquely special.' Books Quaterly (Waterstones) '... full of charm ... imaginative and bursting with inventive, off-the-wall humour, making them great stories to be read aloud.' Waterstones Books Quarterly 'another triumph from the creative pen of Cressida Cowell.' Writeaway.org '... inspired series ... its enchantment lies primarily in the comical, affectionate and often irritable relationship between Hiccup (the only nerd in the violent Viking Hooligan tribe) and his runty little dragon Toothless.' Amanda Craig, The Times Fiercely exciting and laugh-aloud funny, it is as full of joy for children of 7+ who have given up reading as for those who love it. Amanda Craig, The Times CHILDREN'S BOOK OF THE WEEK: This book is great fun and has a Blackadderish sense of humour ... full of the sort of jokes that will make schoolboys snigger. Nicolette Jones, The Sunday Times How to Train Your Dragon is a delightful narrative caper... It offers a challenging read to 11-year-olds, and rewards reading aloud, especially for those who relish an element of theatre at story time. Sunday Herald, Glasgow ... raucous and slapstick ... liberally illustrated with [Cressida Cowell's] riotous drawings, notes and maps. The Financial Times [Cressida Cowell] puts a contemporary spin on the old brains over brawn moral and brings the story to a climax with a thrilling dragon duel. Lots for lots of different readers to enjoy. Books for Keeps 'a hilarious and gripping adventure, beautifully paced and studded with great dramatic scenes.' Amanda Craig, Times Bulging with good jokes, funny drawings and dramatic scenes, it is absolutely wonderful. Independent on Sunday Cowell writes laugh-out-loud books with plenty of boy appeal. Cowell's anarchic drawings suit the slapstick humour. The Herald 'If you haven't discovered Hiccup yet, you're missing out on one of the greatest inventions of modern children's literature.' Julia Eccleshare, Guardian children's editor 'What a fab book ... will definitely make you laugh out loud!' Torquay Herald Express Highly original. Uproarious. Woman's Weekly
