## Plot:

The power of the Force meets the joy of origami. Here is everything you need to create a galaxy of Star Wars characters, ships, droids, and weapons. The ingenious models are created by Chris Alexander, the master of Star Wars origami, and come with complete step-by-step directions as well as an introduction to origami definitions, symbols, and basic folds. Bound in the back is the book's unique folding paper, 72 sheets in all. Illustrated with meticulously detailed original art, the specially designed paper makes each creation - menacing Darth Sidious, confident Chewbacca, the Death Star, Yoda, and more - come alive.

## Recommendations:

## Table of contents

\* Great for kids ages 9 and up, and Star Wars fans of all ages \* Includes 72 sheets of specially designed Star Wars origami paper \* May the folds be with you!

## **About Chris Alexander**

Chris Alexander began doing origami at the age of four. Since then he has created dozens of original designs, many of them Star Wars themed. He has a large Star Wars fan base and tours the country folding at conventions and museums. He lives in Lancaster, California.
