Review quote

"The Belcher family may go through some ups and downs, but there's one thing in their life that remains a constant source of stability - Tina's healthy appreciation of butts. Well, that, and the fact that Bob's burgers are so damn good. . . Concoctions like the Bruschetta-bout it Burger and the Foot Feta-ish Burger can line your stomach just like they fill Teddy's and Mort's, and you can bet your butt they'll be delicious." -THRILLIST "There are tons of clever burgers in this cookbook, and each recipe is tested by chefs so the recipes are the real deal. If you're a fan of the show, you're sure to find some great inspiration between the pages of this book. And even if you're not, you'll still love these burgers!"-Mission-Food.com "Now fans can get the ultimate Bob's Burgers experience at home with seventy-five straight from the show but actually edible Burgers of the Day. . . Fully illustrated with all-new art in the series's signature style, The Bob's Burgers Burger Book showcases the entire Belcher family as well as beloved characters including Teddy, Jimmy Pesto Jr., and Aunt Gayle."-ForcesOfGeek.com "[The Bob's Burgers Burger Book] offers more than 70 recipes based on the puns from the show, often paired with cartoons featuring the characters interpreting the themes of the burgers. Even better, though, are the pages that offer cartoons deconstructing the burgers. And it's a nice touch that each recipe heading comes with the season and episode in which the burger special appeared....The Bob's Burgers Burger Book is what a good media tie-in should be . . . a real recipe for success."-A.V. Club "[The Bob's Burgers Burger Book]'s tone reflects the sincerity and enthusiasm of the show, peppered with the occasional well-timed statement of fact that functions as an unexpected joke."-EATER.com "Everyone loves a burger, and a witty cartoon. So why not combine them, with the help of a real chef and some punning writers? [The Bob's Burgers Burger Book] is a real cookbook that should inspire you to do some real cooking. . . the summer is coming, get out the grill and give into inspired cravings." -AppetiteForBooks.com "Bob's Burgers is one of the funniest shows airing right now, helped along by spontaneous musical numbers, an amazing voice cast, and characters who actually like each other . . .
