Sixteen-year-old Aza never intended to pursue the mystery of fugitive billionaire Russell Pickett, but there's a hundred-thousand-dollar reward at stake and her Best and Most Fearless Friend, Daisy, is eager to investigate. So together, they navigate the short distance and broad divides that separate them from Russell Pickett's son, Davis. Aza is trying. She is trying to be a good daughter, a good friend, a good student, and maybe even a good detective, while also living within the ever-tightening spiral of her own thoughts. In his long-awaited return, John Green, the acclaimed, award-winning author of *Looking for Alaska* and *The Fault in Our Stars*, shares Aza's story with shattering, unflinching clarity in this brilliant novel of love, resilience, and the power of lifelong friendship.

We missed you." - Mashable "A full-on emotional bleed-out.... John Green hasn't created a book as much as he's created a place--a place to have your most indefinable and grotesque thoughts articulated, to ponder the disconnected reality you experience No matter where you are on the spiral--and we're all somewhere--Green's novel makes the trip, either up or down, a less solitary experience." - The Globe and Mail "A thoughtful look at mental illness and a debilitating obsessive-compulsive disorder that doesn't ask but makes you feel the constant struggles of its main character. . . . Turtles explores the definition of happy endings, whether love is a tragedy or a failure, and a universal lesson for us all: 'You work with what you have.'" - USA Today "A new modern classic." - The Guardian "Green's most authentic and most ambitious work to date." - Bustle "An existential teenage scream." - Vox "Funny, clever, and populated with endearing characters." - Entertainment Weekly "An incredibly powerful tale of the pain of mental illness, the pressures of youth, and coming of age when you feel like you're coming undone." - Shelf Awareness ★ "A richly rewarding read...the most mature of Green's work to date and deserving of all the accolades that are sure to come its way." - Booklist ★ "In an age where troubling events happen almost weekly, this deeply empathetic novel about learning to live with demons and love one's imperfect self is timely and important." - Publishers Weekly ★ "A deeply resonant and powerful novel that will inform and enlighten readers even as it breaks their hearts.
